SERIAL NO. 2

SIR,

In reply to your letter No: 7169 dated 15th Instant, asking to depute a special man to audit the accounts and books of the Ward officers in the city, I have the honour to inform you that being short handed myself I cannot spare a fulltime accountant.

2. I can however depute one of the Superintendents of my office to audit the accounts of the Ward officers every morning between 7 and 9-30. The audit can be made much more satisfactorily and promptly by a Superintendent, though working only 2½ hours daily than by an accountant working fulltime.

3. If this arrangement will suit, I would beg to propose an allowance of 45 Rupees

(4)

Rupees a month to the Superintendent while engaged on this additional work.

4 As the Superintendent has to attend the Ward Officers in the mornings and this Office between 11-30 and 5 P.M. he will necessarily have to engage a Conveyance of some sort, and the allowance of 45 Rs. recommended, will not, I hope, be considered extravagant.

I have the honour to be

Sir,

your most obedient Servant

G. Thompson

Comptroller.
